Grettinger, Rachel

Declaration of Plaintiff Alexander Howell

Alexander Howell hereby declares:

I have been incarcerated at POTOSI CORRECTIONAL CENTER since July of 2022. Since February 8th, 2023 I have been housed in 1 house, B wing, ~~room~~ I am currently in cell 203.

On March 23rd, 2023, correctional programming specialist (caseworker) Rachel Grettinger informed another offender (Nicholas Ingram is the offender) of my personal transgender status without the departments or my consent.

This was over heard by the offender next to Ingram (Lavontea Jones) when he was in 19 cell. Ingram is in 18 cell and I am in 17 cell.

Later that night after she left, I was humiliated, taunted, and teased. I was called a "fake ass transgender" and more by Nicholas Ingram and other offenders.

Nicholas Ingram apologized and made up to me. All other offenders continued to mimic, mock, and tease me for ~~map~~ multiple days and still do.

On March 22, 2023 Nicholas Ingram was admitted to the transgender committee.

He was denied gender affirming items for refusing to ask questions regarding his sexual life and not preference or gender.

On March 23, 2023 Ingram was denied an irr and grievance to file against the committee by Rachel Greeting.

Later this day (on the 23rd), Rachel Greeting passed out canteen and stated it was a scheme for him (Ingram) to join the transgender committee just to sell me gender affirming items.

Around March 29, I filed an irr claiming she (Rachel Greeting) was telling confidential information about me to inmates, breaking the hippa law and my constitutional right.

On April 19, Rachel Greeting retaliated by writing a Frivolous conduct violation on my witness after I filed an irr. My irr included his name and a detailed description of the arguement. The violation revealed she questioned him revealing my business. Please see attached.

I declare under penalty of perjury that the foregoing is true and correct. Executed at POTOSI, MO on April 26, 2023.

Getzinger, Rachel

Declaration of Nicholas Ingram

Nicholas Ingram hereby declares:

I have been incarcerated at POTOSI Correctional Center since 20. I have been in 1 house, b-wing since March 2023. I am currently in cell 18. Alexander Howell is currently in cell 17.

Around ~~20~~ March 29, 2023 Howell filed an ~~100~~ claiming Rachel Getzinger disclosed personal information to me and was taunted.

I apologized and made up with Howell. The other offenders didn't apologize and continued to harass Howell.

After about 20-30 days on April 19, 2023, I was read a violation for "lying" to the transgender committee about my sexuality gender, preference, and reason to stay and join the committee.

I was then informed I was no longer a member of the transgender committee

Due to her informing me of Howells status of being reapproved in the transgender committee, and denial of gender affirming care items, it gave me ammunition to use against her when I got upset and now it's having mental and emotional affects on her.

I declare under penalty of perjury that the foregoing is true and correct. Executed at Petoski, MI on April 26, 2023.
